RE: Case 22-E-0125 Tariff filing by Niagara Mohawk Power Corporation to Modify Its Electric Tariff Schedule, P.S.C. No. 220, to Update Pole Attachment Rates Applicable to Cable System Operators, Telecommunication Carriers and Wireless Communication Carriers

Dear Secretary Phillips:

The attached postponement supplement is hereby submitted by Niagara Mohawk Power Corporation d/b/a National Grid ("Company") regarding Case 22-E-0125.

Supplement of Postponement No. 66
To PSC No. 220 – Electricity
Effective: July 14, 2022

This filing is made to allow the Department of Public Service Staff more time to review the filing presently before the NYS Public Service Commission ("Commission"), filed by the Company on February 28, 2022 in the above mentioned case number. This filing proposes the effective date of the tariff leaves be postponed until July 25, 2022.

The Company requests the supplement go into effect on short notice on June 30, 2022. The Company also respectfully requests a waiver of the Commission's rules and regulations regarding newspaper publication as the Company will provide prior notice to the entities that are charged the wireline and wireless rates prior to the approved rate taking effect.

Please contact the undersigned of any action taken regarding this filing.

Respectfully Submitted,

/s/ Carol Teixeira
